OBJECTIVE

As a passionate and dedicated Frontend Developer, I aim to leverage my expertise in **HTML** and **CSS** to build responsive, user-friendly websites and applications. Currently, I am enhancing my skills through projects like a **Netflix Clone**, where I focus on creating seamless and visually appealing layouts. My goal is to continue learning, developing, and contributing to the creation of high-quality digital experiences while staying updated with the latest web development trends and techniques.

INTIYAJ ANSARI

FRONT END DEVELOPER

I am a passionate Frontend Developer currently pursuing an internship where I am building my skills in HTML, CSS, Tailwind CSS, and JavaScript. My goal is to create visually appealing and highly functional web pages that provide seamless user experiences. I am always eager to learn and adapt, with a deep interest in staying updated with industry trends and improving my problem-solving abilities.

EXPERIENCE

FRONTEND DEVELOPER INTERN
CODTECH IT SOLUTIONS PVT.LTD | Duration (4 WEEKS)

Developed responsive web pages using HTML, CSS, and Tailwind CSS, ensuring compatibility across devices and browsers.
Assisted in writing JavaScript functions to add interactivity and dynamic content to web pages.
Contributed to the improvement of project timelines by following an agile development process.

PROJECTS

Portfolio Website
Developed a personal portfolio website using HTML, CSS, and JavaScript, showcasing web development skills and completed projects.
Implemented modern design practices and responsive layout to ensure the site is user-friendly on various devices.

Netflix Clone
Designed and developed a Netflix Clone using HTML and CSS, replicating the user interface and layout of the popular streaming platform.
Created a responsive design to ensure the app works seamlessly across various screen sizes, from mobile devices to large desktop screens.
